This year our minds are tuned to the future. We have our Sputnik circling the earth solving the mysteries of outer space. It won't be long before we have crossed the frontiers of space, just as our forefathers ventured into the unknown to come to the new world several hundred years ago. The future held much for them. A completely new way of life was heralded as they fought the Indians, cleared the land and built their cities. The future for the pioneers of today holds a new frontier to cross: space. Space ships will soon be flying between planets and conversations will be held with the men on Mars. With this in mind, we present the 1958 edition of Hoofbeats,

The Future

*Sue,
It's been nice having you in Adam's

classes we had together other years, too.
All of them hold pleasant memories

"'58 Here We Go" seems to be the motto of this senior class. In 1954, with the motto of "'58 Here We Come," this graduating class of '58 has progressed through four years of classes, studies, sports, clubs, and other activities.

As the class of '58 goes out into the world to make its place, it is the hope that through their four years at North, they have learned more than how to solve equations, communicate with foreign people, and write a correct sentence. Let us hope that the class of '58 has learned how to live and how to cope with this vast and wonderful world of ours, today, tomorrow, and all the future tomorrows.

It won't be long now before the junior class will become the leading class on campus. For the past three years, they have been looking forward to and planning for this very big year.

During these last few years, they have proven, themselves and to North Phoenix High School, that they will be able to take over the responsibilities and duties that go along with being seniors. Good luck to the class of '59.

Getting ready to look their very best are class officers Janice Taylor, Billie Jo Hicks, and Patty Phelps.

Learning all about the birds and bees in their biology class are Brenda Payne and Sharon Pierce.

Wayne Newton gets a woman's touch from Sue Mendelsohn before having his picture taken for the annual.

Sophomores

The Sophomores were off to a good start at the beginning of the year when they sponsored the "Rock and Roll Rumble". This was a new and different idea and is a good example of the vigor they have put into all their activities.

One of their successful projects this year was the selling of souvenir megaphones which increased school spirit.

Another example of their initiative was the sponsorship of the horse "Sheba". She performed during half times at the majority of the Mustang home games.

Throughout the Christmas season, they sponsored a drive for St. John's Indian Mission. With the help of the Military Department they packaged 375 gift packages.

Not only their energetic class officers but the whole class worked on all Mustang projects and proved to themselves and to all others that they are well qualified to become the junior class of tomorrow.

After completing one-fourth of their career at North High, the freshmen have proved themselves to be loyal and enthusiastic Mustangs.

The first few weeks were difficult; with new faces, huge crowds, and a busy schedule. But before long the class of '61 was in the full swing of things and had even learned the helpful art of squeezing a little fun in with their homework.

With the help of their counselors and outstanding class officers, they have supported all North's activities and promise to be some of the best and most energetic leaders in the coming three years.

Hurry!

Time out for Mari Ann Sizemore at the Freshman Tennis Tournament.

Upper classmen, Jerry Metters and Richard Smith, view freshmen girls, Frances Gonzales and Linda Barfoot with interest.

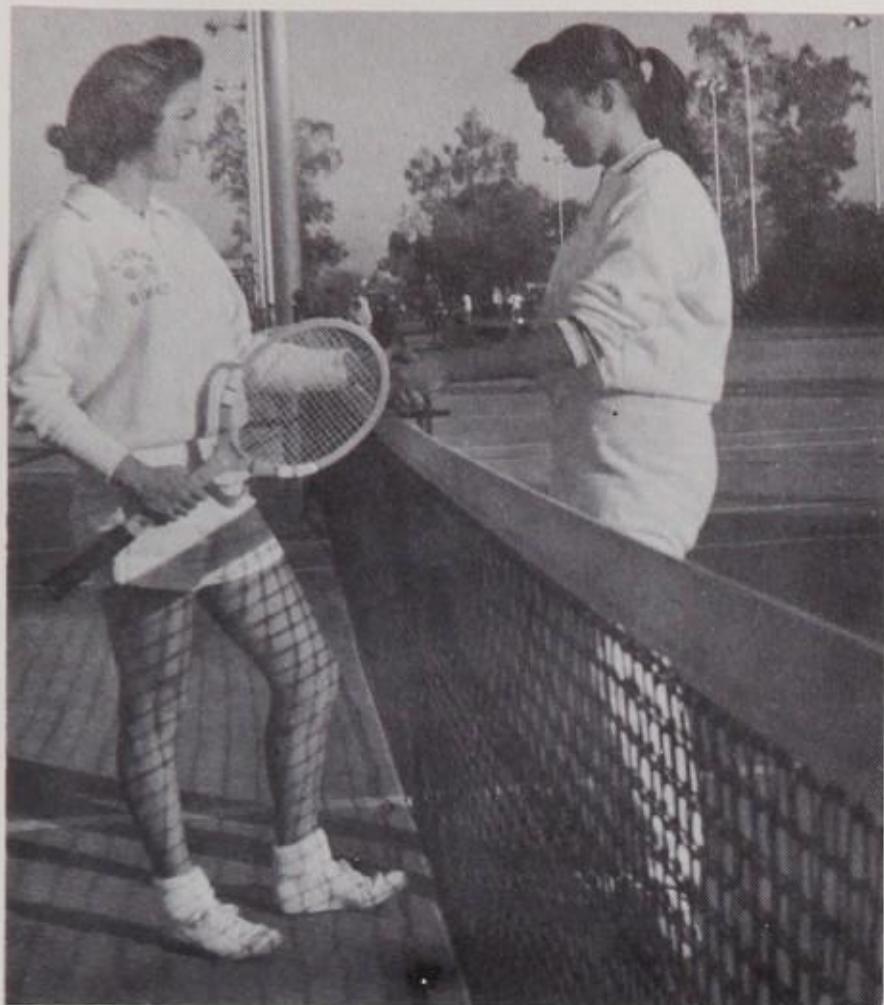

Some freshmen make their first journey down the busy halls.

Freshmen are known for dropping trays and James Isaacs learns this the hard way.

Pam Schneider, Marian Smith, Russel Flaherty, and Bob Gordon work industriously under the helpful guidance of Mr. H. West.

A friendly ending to the game as Sheila Wilson shakes hands with her Camelback opponent.

One way traffic.

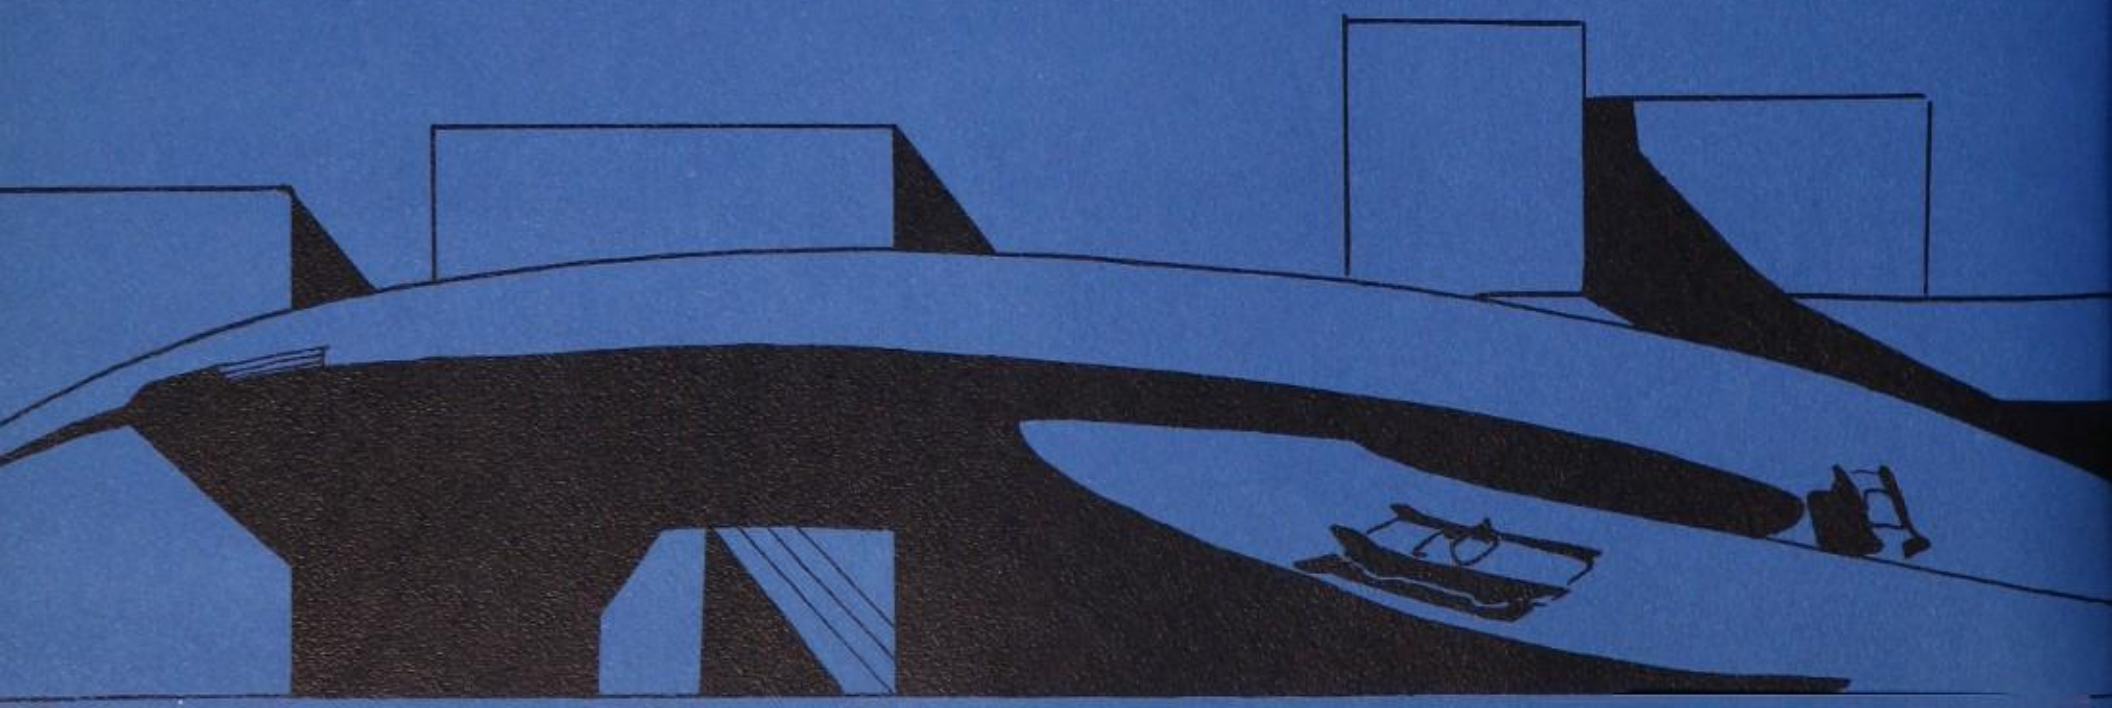

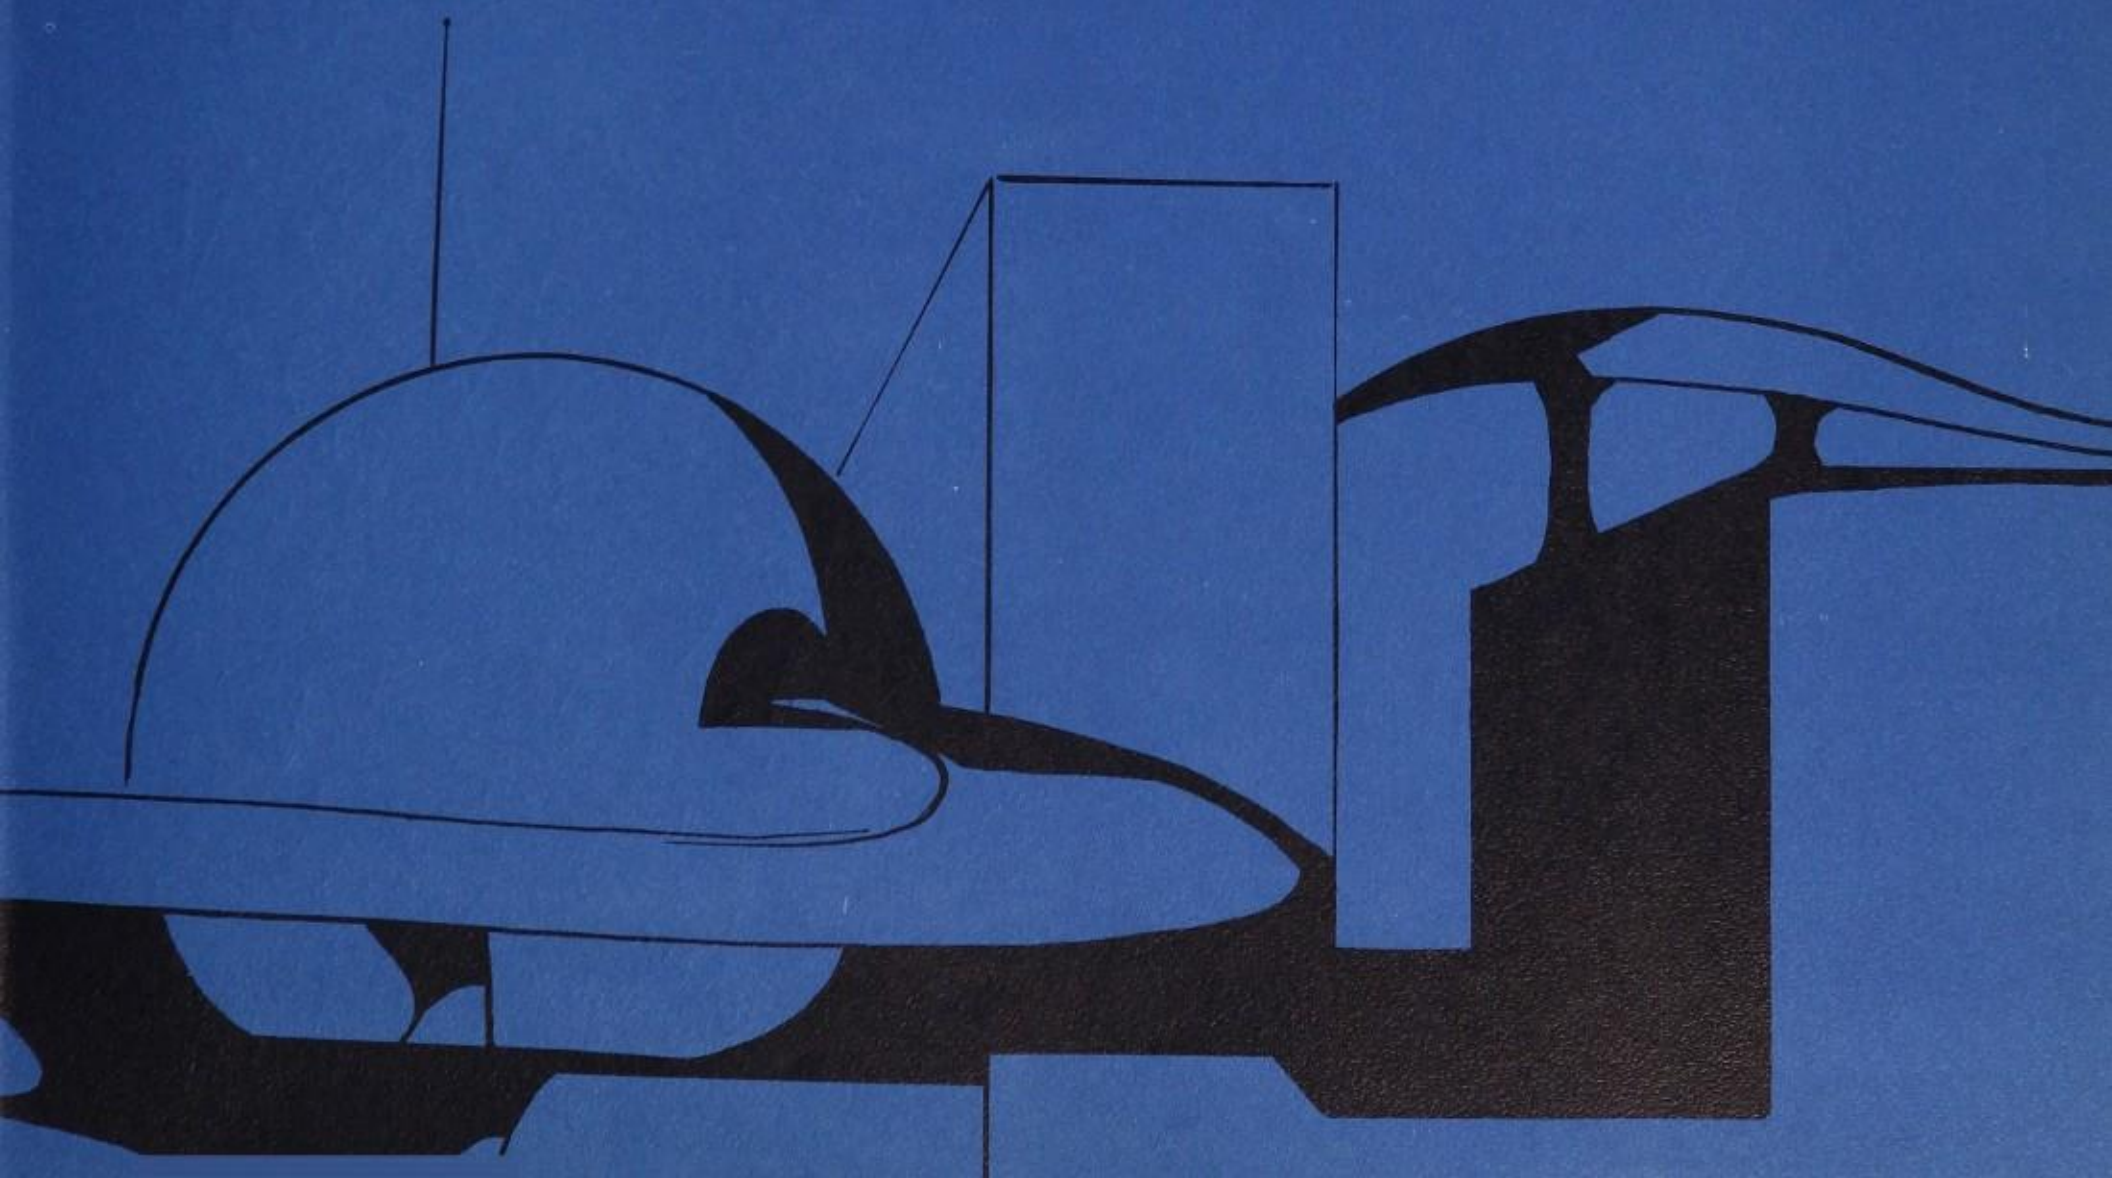

Ah! This is delicate work.

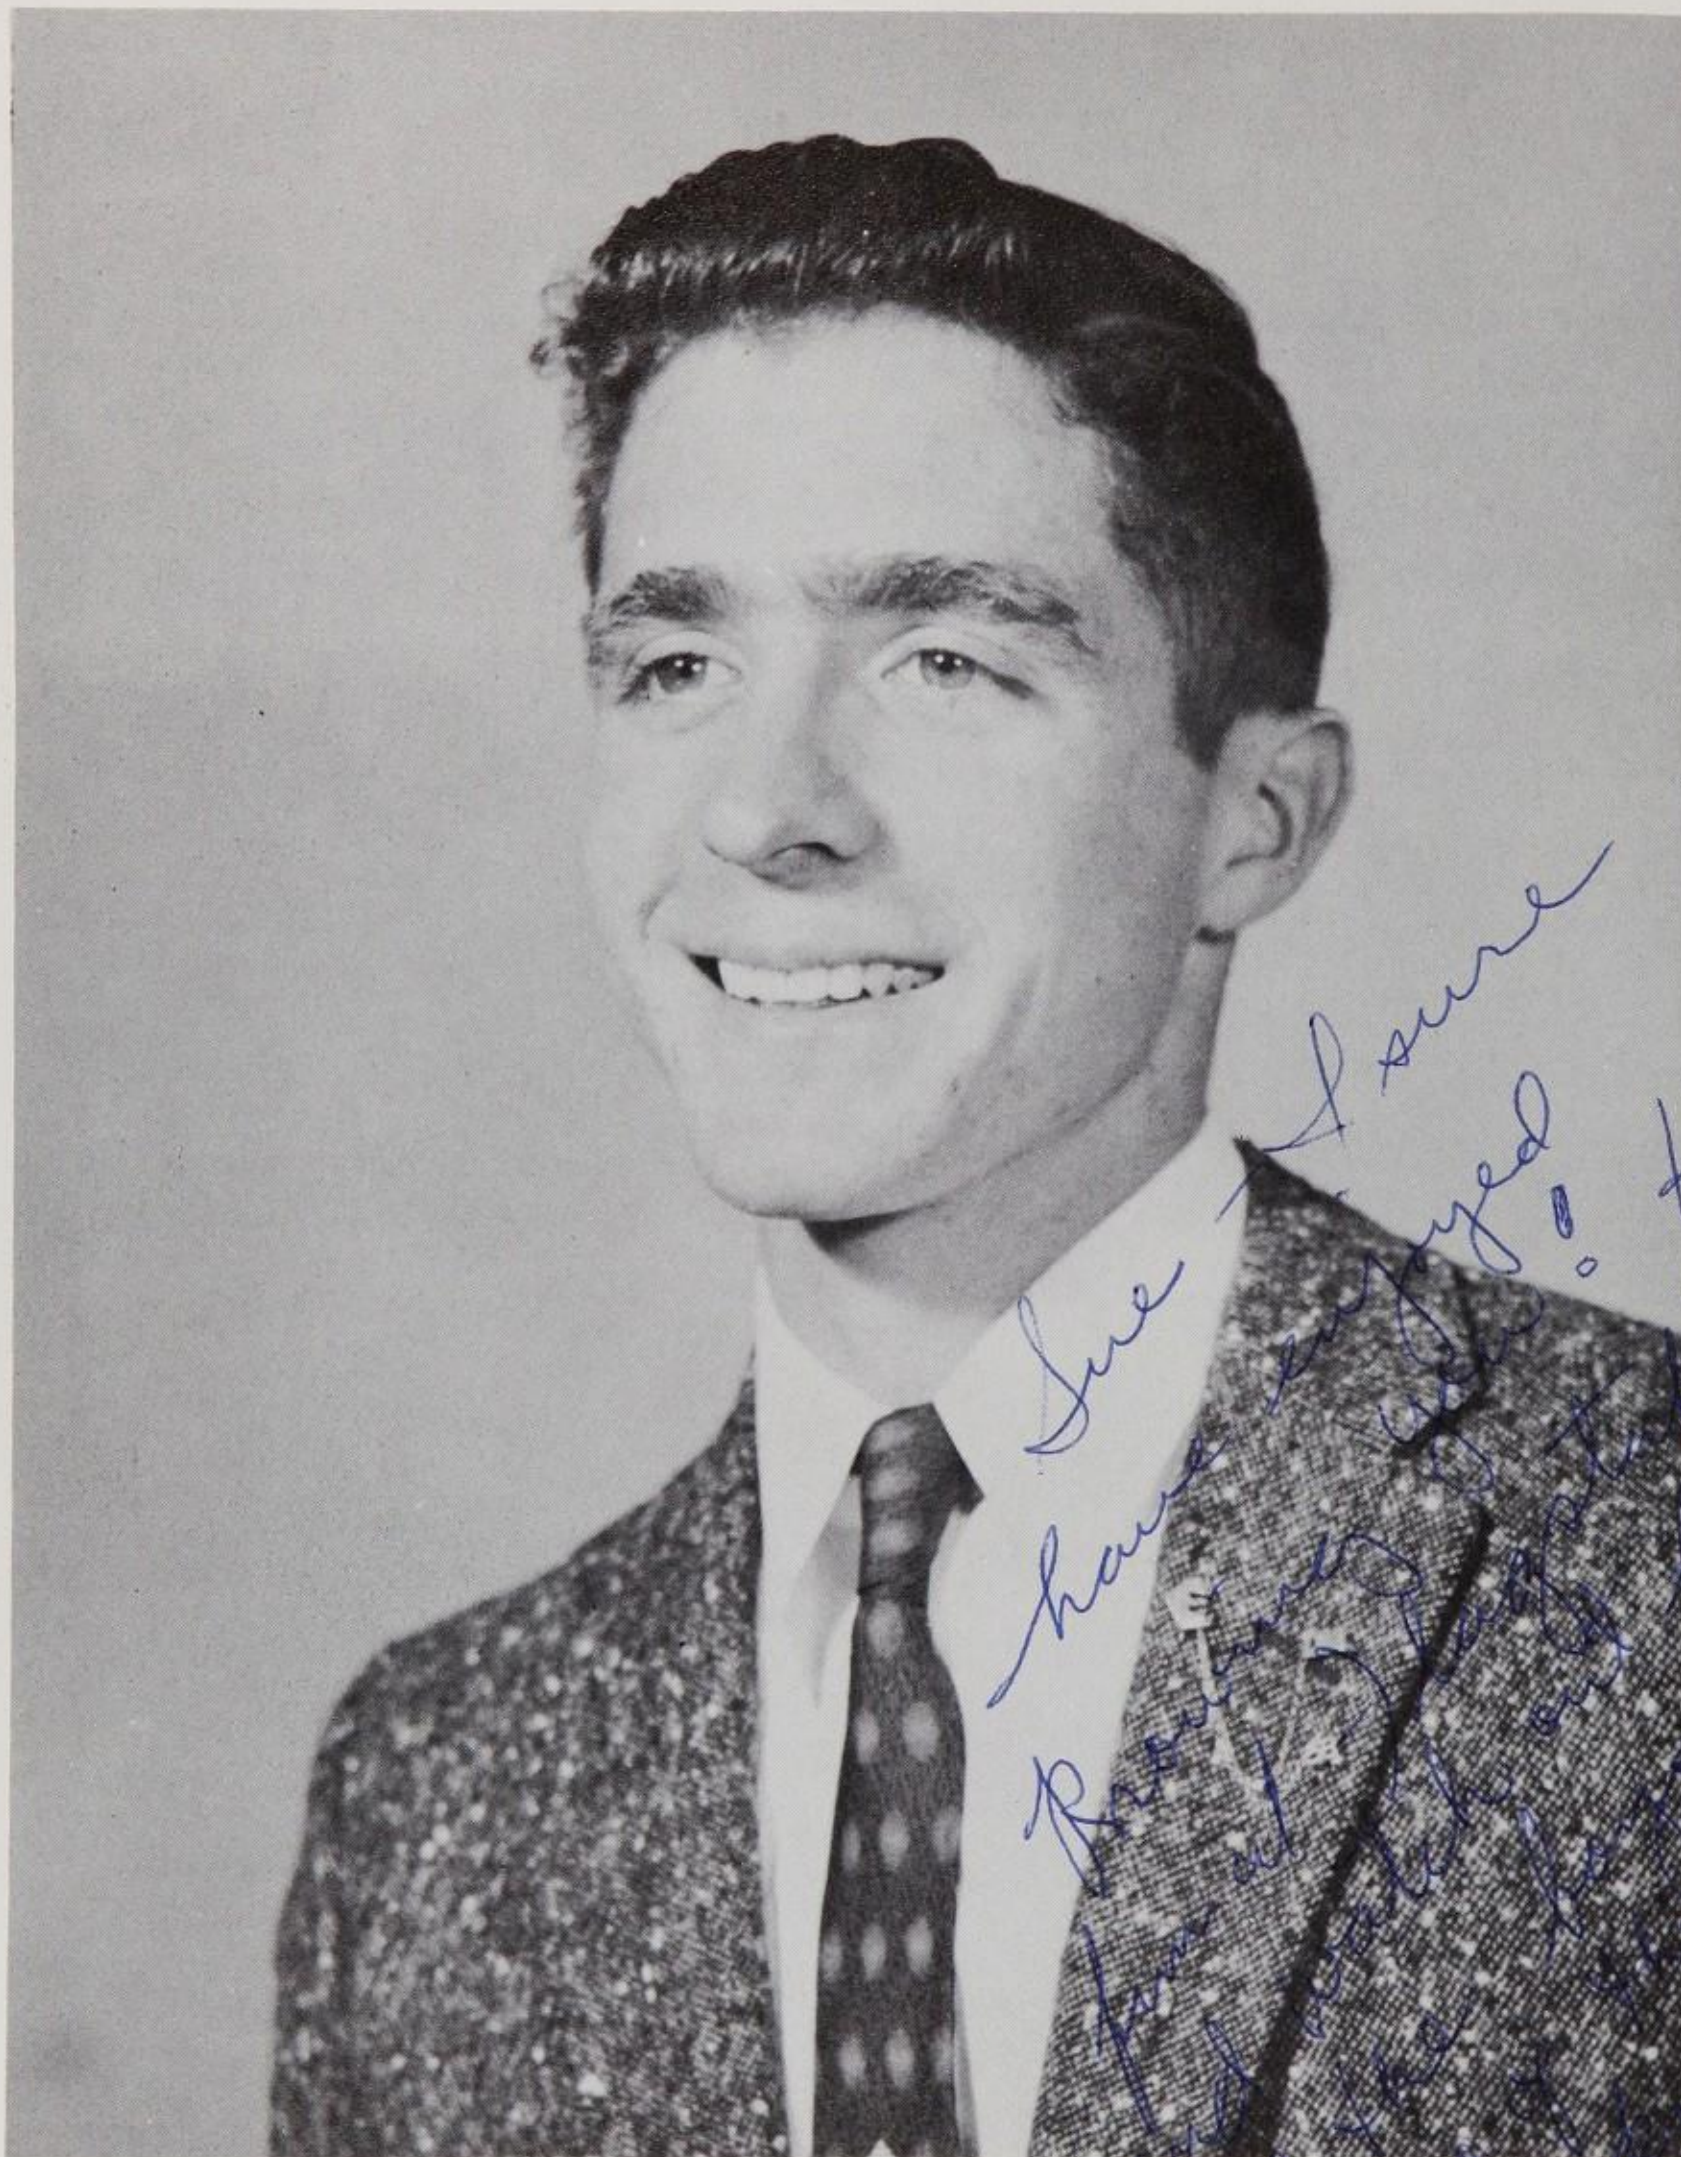

Concentration and more concentration as Diane Kidd shows her skill in typing.

Student Body Officers

**Vice President
Richard Shaw**

**Secretary
Nancy Rogers**

North High has always been proud of its Student Body Officers and this year was no exception. This fine group of officers has performed their respective duties well, and they will be long remembered by North High students.

Dave Matthews, our Student Body President, is most seen by the average student performing his duty of presiding over the assemblies. He also presides over the daily sessions of the Executive Committee and is the Student Body Spokesman to the Administration.

Our Vice-President, Richard Shaw, takes the place of the President in case of his vacancy. He also presides over the meetings of the Student Council, and this year was made Parliamentarian for the Executive Committee.

Keeping the minutes for the Executive Committee and the Student Council, and handling the correspondence for the Associated Students are some of the duties Nancy Rogers performs as Secretary. This year Nancy was also made Secretary of the School Council. Nancy Burton, our Treasurer, handles all the bookkeeping for the Associated Students' treasury. She also is in charge of all class and Student Body elections.

Student government was originated to represent the students on the North High campus. The Student Council was set up to give students the opportunity to express their wishes on how North High should be operated.

The Student Council is composed of one representative from each second period homeroom, the Student Body Officers, the officers of each of the classes, the officers of the Girls' League, the officers of the Boys' Alliance,

the Honor Court judges, one member of each of the standing committees, selected by the standing committee, and the officers of the Service Organization. The presiding officer of the Student Council is the Student Body Vice-President, this year being Richard Shaw.

The Student Council has the right to develop policies, set standards, and make and enforce any rules related to student activities. It also makes any rules of conduct

for the Student Body as it feels necessary, in order to enforce the Honor Code.

This year, as in years of the past, the Student Council has brought forth new policies and ideas for the betterment of North High, as a whole. Probably the most important thing accomplished this year was the revision of the North High Constitution. Another of the more important things the Council did was to redecorate the Corral. The installation of new booths and other accessories created a new atmosphere, which made the

Corral more popular with the students.

The importance of the Student Council cannot be overestimated. It has done many things this year, and in the years to come, the Student Council will continue to do things for the improvement of North High.

Girls' League

President
Lelah Yue

All girls on the North High campus belong to the Girls' League. The purpose of this organization is to provide an opportunity for all girls to participate in girls activities, to stimulate a pride in membership, and to foster such personal ideals as fair-mindedness, courtesy, and friendship toward all students.

The Girls' League Cabinet is the executive part of this organization. It consists of the president, vice-president, secretary, treasurer, a representative from each of the four classes, a friendship committee, a publicity chairman, and one rotating member from each Council. The Girls' League Cabinet has the power to enforce policies made by the League councils, continue business of the League between meetings of the councils, and appoint committees not provided for by the League's Constitution.

The president is responsible for the Cabinet meetings and the general welfare of the League as a whole. The vice-president, secretary, and treasurer perform the duties indicated by the name of their office, plus many others. The publicity chairman is responsible for all things dealing with publicity for the League and its functions. The friendship chairman is in charge of a committee which greets new students and helps to acquaint them with North High.

The Girls' League Councils have the power to set standards, develop policies, and make rules necessary to the League. They also regulate and initiate the activities of the League. For each project the League undertakes, the tasks are divided up among the four class councils.

This year, the Girls' League presented the annual Blue and Silver Ball to help sponsor the foreign exchange student. Its theme, "Pink Fantasy," was carried out with decorations of castles and pink clouds. Another major project presented by the League was the Spring Fashion Show, its theme this year being "Blossoms of Spring."

The Boys' Alliance, composed of all boys at North High, exists for the purpose of rendering service to the school and the community, and for promoting activities for boys.

The Mustang Congress is the representative organization of the Boys' Alliance. It consists of the executive officers and one representative elected from each homeroom.

Operating under a brand-new constitution this year, the Boys' Alliance had an eventful year. Projects completed include: sponsoring the annual Freshmen Mixer, co-sponsoring with the Girls' League the highly successful Jersey Bounce Sports Dance, and decorating the cafeteria's Christmas tree. The year was capped off with the annual Moonlight and Memories formal dance which was attended by several hundred couples.

Secretary, Tena McDowell; President, Ann Mitchell; Vice President, Marianna Warren; Treasurer, Benay Bjorge

The Service Organization was formed for the purpose of administering all school and community service projects. It is composed of four officers; the president, vice president, secretary and treasurer, and one service chairman from each homeroom.

Once a semester the officers and representatives meet to discuss any problems they have and to decide on service projects. The money to be donated to these projects is usually raised by having an auction in each of the representative's second period class. The money is then turned into the sponsor, who sends it to the designated institution.

During the first semester this year, over four hundred dollars was contributed to the Foreign Exchange Student Fund. The Service Organization completed several other worthy projects. Some of these were: The Crippled Children's Home, Gomper's Memorial Clinic, and Christmas and Thanksgiving boxes to the poor.

The Cafeteria Board is composed of students, parents and teachers who meet to discuss cafeteria problems and form policies. The board makes and enforces rules necessary to the efficient serving of food on the school campus at the least possible cost.

Three years ago the Cafeteria Control Board came into existence. It was organized to help keep the

cafeteria an orderly place to eat in. Both lunch periods have Control Board members on duty. They patrol the cafeteria to see that order is kept and may give Honor Courts to any violators of the cafeteria rules. To illustrate proper and improper conduct for students in the cafeteria, the Control Board puts on an assembly skit each year.

All decisions of the court are based on conclusive evidence but the defendant has the right to appeal his case.

The Health Committee was established to promote better health among North High students. It does this by sponsoring health assemblies and campaigns. This year, the Health Committee sponsored a contest centered on good nutrition. The students with the best slogans, posters, and essays were awarded prizes.

Fall

Although the beginning of school seemed to rudely interrupt our "soaking up the sun" in Phoenix, we were excited to see our old friends and join in on the fabulous list of fall activities.

At the top of the list were the football games, pep assemblies, and victory dances. A beautiful formal was the Girls' League Blue and Silver Ball, with the theme "Pink Fantasy." New this year was our Homecoming game where we presented our queens. This was only the beginning of our active year.

Winter

Winter had a dramatic beginning, with the North High Players' production of "Joan of Lorraine." The Christmas season was full of exciting activities. Basketball pep was high. Many outstanding assemblies provided for a varied school day schedule. Among these the junior, sophomore, and freshman classes presented exceptional talent shows. Ross Fish brought fame to North High by winning the National Voice of Democracy Contest in Washington, D. C. The ROTC Department chose Nanci Ratts as the 1958 Mustang Military Queen.

Famous at North High for her outstanding portrayals, Julie Burton, once again proved her talent as she drew the audience into her place playing the part of Joan of Arc. In the scene above, Joan, after being imprisoned, is pleading to hear the voices of her guardian saints.

As the cast listens intently, director Courter issues last minute instructions to the cast at the dress rehearsal.

The rising of the curtain December 5-6 was the climax for the unusually large cast whose hard work made the North High Players' production of "Joan of Lorraine" a great success.

This unique dramatization was a terrific challenge for the cast since it is actually two plays in one. Several actors portrayed two or three completely different characters.

As the audience watched and listened to the typical rehearsals of a Broadway production, they, too, realized what a courageous young leader Joan of Arc was.

The very realistic argument between Masters and Mary Grey added a fiery spice to the play when Masters finally exploded, storming down the aisle and out of the theatre. The selfish, unthoughtful remarks of the Dauphin added humor to the drama. Julie Burton's sincere interpretation of Joan's character brought tears to every eye.

Mr. Gene Courter is certainly to be commended on directing his first North High play which was termed a most memorable event by both the actors and the audience.

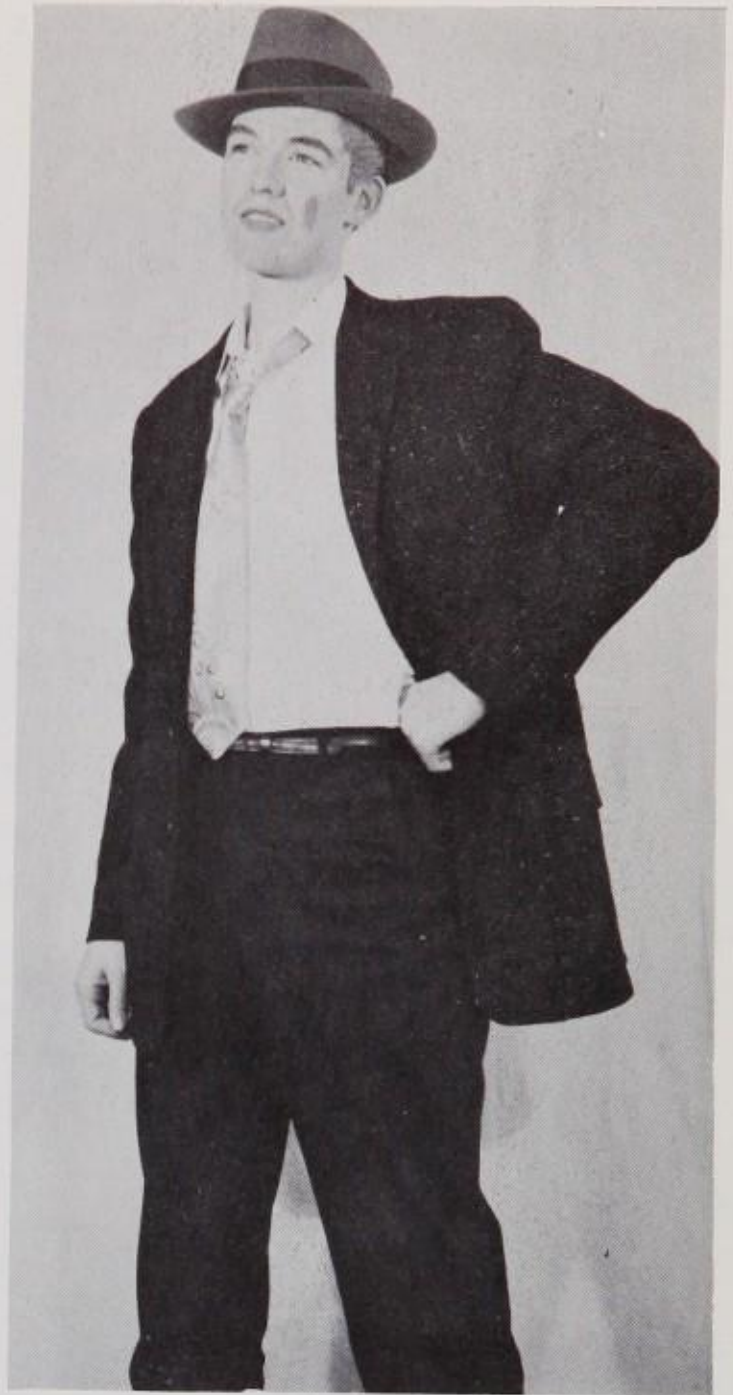

Lorraine "

Talking over strategy with the Dauphin, Joan tries to convince him that more victories lay ahead for France. Tom Basham performed remarkably as the highly emotional villian, the Dauphin. His self-applied make-up and humorous dramatization of this truly unusual character brought many laughs. It was in this same galliant white armor as Joan wears in this scene that she was later wounded and taken captive.

"That's my eye!" cries Ross Fish as Linda Pursley carefully daubs a glob of face make-up. Fluttering his eyelashes, Ronnie Sheridan admires himself in the mirror; whereas Tom Basham prepares to add more warpaint. The entire cast learned that putting on your own make-up requires a lot more talent and time than you'd think.

Explaining his philosophy of life, Masters, characterized by leading male Ross Fish, acts as father, teacher, and director to his large Broadway cast.

Eyes can express what words can't, as well shown by the alluring look of Aurore portrayed by Linda Pursley and the you-wouldn't-dare look in Tom Basham's eyes.

Footloose 'n' Fancy Free

North High made a great success of its first annual sock hop which was held in the corral. The dance was sponsored by the school's Hi-Y clubs. It was termed as one of the best dances of the year by all who attended.

Best-socked couples, Carl Schellenburg and Brenda McDonald, and Lonnie Wells and Deanna Driggs, pose for a once-over from other dancers.

The line-up . . . gets interviewed about the sock hop.

Tom Adams and Peggy Stewart toddle around the dance floor.

Basketball Pep

From the overtime free throw point to the referee's whistle, the 1958 basketball season was one thrill after another. The Pep Band, Pom Pon girls, cheerleaders, and loyal Mustang backers are all to be congratulated on their fine school spirit. Of course, we can't forget the team, whose hard work will always be remembered.

The Mustang Pep Band plays for the half-time during a basketball game. Note the cute guy playing the trumpet . . . Mr. Al Davis, band leader.

Wow, what pep! This was snapped when the team was behind several points as you can well see. But later the luck turned and the Mustangs rallied to another victory. Rain, hail, lightning, thunder; North High Mustangs won't go under!

Cheaper by the dozen, eh? The Pom Pon girls begin one of their unique performances (below.)

This is more like it team! School spirit seems to reach a high peak when at games like this the team really puts on a performance for the audience.

The Service Band, Pom Pon girls, speech students, friends, teachers and family were out to welcome home Ross Fish, National Voice of Democracy Contest co-winner when he returned from an all-expense paid trip to Washington, D. C., where the National Finals were held.

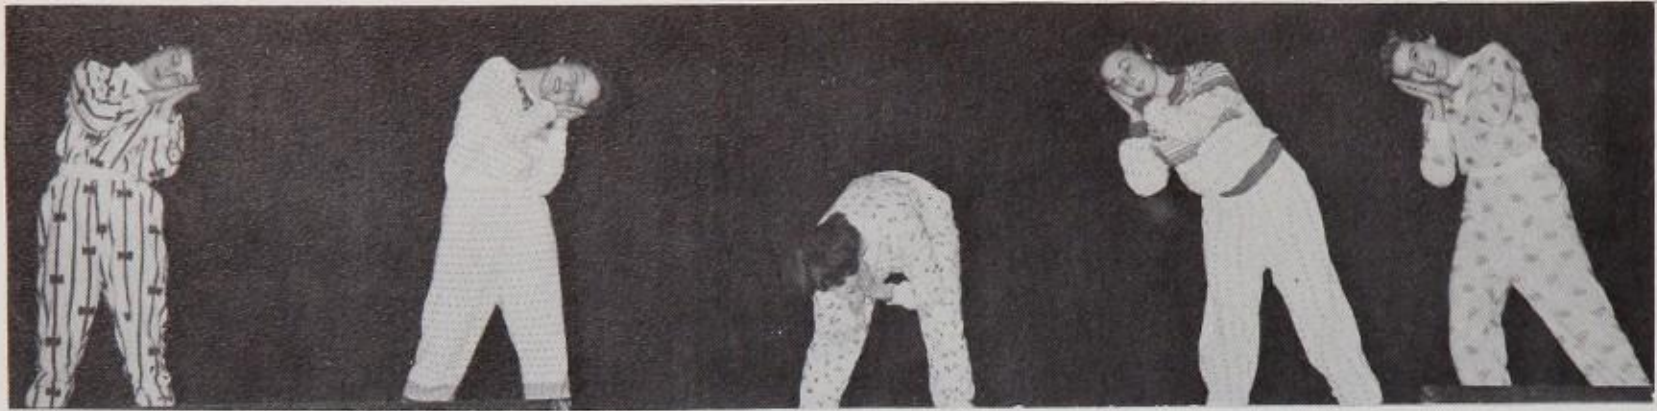

The winning speech was a five-minute broadcast script titled "I Speak for Democracy." The recording of this speech was sent through various levels of the contest where it was judged on the bases of content, originality, and delivery.

After advancing through the school, city, and state contests, Ross was awarded an all expense paid trip to Washington, D. C., on American Airlines.

The climax of the Washington stay was the Award Luncheon where Ross along with the other three co-winners was presented a five hundred dollar scholarship to the college of his choice and a gold recording of his speech.

After a big smile for the television cameras, Ross proudly held up the gold recording of his award winning speech.

PJA Assembly

Along with the North High Madrigal Singers, the PTA Talent Show provided an evening of delightful entertainment.

Highlights of the program were teachers Al Davis and Ben Denton, who, after serenading the audience with a duet, warbled the Slobovian National Anthem.

Out on the stage, Judy Thieben, Janet Knowles, and Sheila Wiese begin one of their acts.

Surrounded in regal colors of purple and gold, Jackie Harvey does one of her original dances depicting Christmas in Siam.

Greeting cards were the theme of the Christmas holiday assembly presented by students of the Modern Dance class. Dances illustrating Christmas in foreign lands led the list followed by the typical American Santa Claus cards, and ending with the pantomime of Loretta Young's "The Littlest Angel!"

Spring

Two of the most outstanding events of the school year began the spring season. Blind for a day, an experiment conducted by the physics classes was most successful; while Sadie Hawkin's Day, the annual junior class project, produced over \$1000 for the American Cancer Society. Other spring events included the Girls' League Fashion Show, the drama department One-Act Play Festival, and the junior-senior prom. During this season, the senior class named the most outstanding classmates.

The physics department of North Phoenix High School on February 25, 1958, conducted a twenty-four hour "Blind for a Day" Experiment for the sixth consecutive year. Fifteen volunteer students participated.

Feeding themselves, dressing, attending all classes, and normal activities, studying by having someone read their lessons to them, and going to dances, shows, or even dates, the experimentees followed as normal a day as possible.

During the twenty-four hour period, the blind were constantly safe-guarded by other designated students who carefully observed and recorded their reactions to the test.

"This experiment is designed: 1. to create in the student's mind the value of eyesight to the human being; and 2. to give to the student a realization that even the loss of eyesight can be overcome and useful lives can be lived under such condition."

Special blindfolds were made by the students with the help of Mr. Frank W. Gilleland, director of the experimental project.

Sadie Hawkin's Day this year was looked upon with great anticipation and participation by the students of North High. Responsible for the tremendous success was the junior class. They worked hard and put in long hours planning and directing the big day. Their efforts were rewarded. The day began with an assembly. It was short and to the point. Two wonderful speakers on the development and conquering of cancer were featured. Great enthusiasm was shown during the assembly and continued throughout the day.

Everyone had a big time at the basketball game, which the juniors won, and one of the best dances of the year was the Sadie Hawkin's dance. New food and traditions were introduced. The students this year showed great originality in their costumes. They ran from gunny sack chemises to the ragged dungarees of the boys, which apparently were quite popular.

Money collected amounted to \$1000.01, which went to the Cancer Fund.

Exchange Student

North Phoenix High School sends many thanks to Berlin, Germany for loaning to us this year a very beautiful representative, our foreign exchange student, Jutta Hanel.

Through these past months, the students have become well-acquainted with this friendly, German girl. Jutta has shared with us her knowledge about her homeland, its traditions, education, and entertainment, to name only a few.

Teachers and students alike will miss Jutta's sparkling personality — the pep and interest she has added to her classes.

Jutta's American home has been with Judge Yale McFate and his family.

While attending North, Jutta has been active in Amicae Tri-Hi-Y and Student Council. Many times she has been teased about her busy schedule since every week has been filled with luncheons, banquets, TV shows, panel discussions, and other guest appearances.

North High will always remember the exquisite bell Jutta presented to the school at the first assembly. Not only will it remind us of the friendship we shared; but also it will recall the purpose of the American Field Service program, to help further world friendship and peace through the exchange of foreign students.

JUTTA HANEL

Explaining to Jutta the technique of modeling are Lelah Yue, Ann Mitchell, and Sandy Sakata. The girls were preparing Jutta for the Girl's League Fashion Show.

Jutta makes friends with a true westerner at the Orme Ranch near Prescott, Arizona, where all the foreign exchange students spent a weekend becoming real cowpokes.

Junior Senior Prom, "Rhapsody in Blue"

In an atmosphere of blue mist, the couples danced their way through the Junior Senior Prom, "Rhapsody in Blue." This dance is given annually by the junior class as a farewell gift to the seniors.

On May 17, the Student Union Building at Arizona State College was the scene of this year's Prom. From 9 o'clock to 12 o'clock couples danced to the enchanting music of Ernie Carbajal.

Shown are Ann Storrs and Ronnie Evans getting ready for the exciting evening ahead. This dance is the years' most spectacular formal and is the one which all the seniors and juniors look forward to all year.

"Blossoms of Spring"

While all around North's campus the fragrance of sweet orange blossoms was strong, the students watched one of the most complete spring fashion shows ever presented by the Girls' League.

This year the Girls' League, under the presidency of senior Lelah Yue, gave the profits from the show to next year's foreign exchange student fund.

Modeling everything from the latest chemises to summer play outfits, the models posed beneath a flower-covered arch.

The models, who were chosen on poise, personality, and appearance, were Jutta Hanel, Barbara Bartlett, Highty Christy, Lydia Dzambik, Gayle Edlund, Sandy Farmer, Cheryl Garrigus, Linda Gold, Sandy Harris, Judy Lee, Suzanne Luhrs, Kay Palmer, Nanci Ratts, Judy B. Lee, Vicki Ratkowski, and Sandy Sakata.

As a special attraction, two boys and three teachers also modeled. Fred Ashley got quite embarrassed when he was introduced as wearing a plaid skirt instead of shirt. Pete Raudenheimer was the other male model. The teachers who modeled were Mrs. Horton, Miss Descoteaux, and Mrs. Brown.

The 1958 fashion show was termed an unusual and worthwhile after school event.

Larry Blakey, Rennie Crittenden, and Steve Vaughn helped the rest of the team blank Tucson 26-0. Blakey was the first to score, by picking up a fumble in the Tucson backfield and raced 46 yards for a North score, early in the second quarter. Rennie Crittenden stole a scene by throwing two passes to Steve Vaughn, both of which he caught. Both resulted in touchdowns, one of 46 yards and the other of 11 yards. This put the Mustangs way out in front with a 19-0 score at the half. Both teams were battling on even ground, except for the score, but early in the fourth quarter North forged ahead again sending Fred Rosell over from the one for the last North score. Rennie Crittenden kicked both of the extra points, one of them a rarely-seen drop kick. Steve Vaughn intercepted two Tucson passes in addition to snatching two touchdown passes from Crittenden. Art Acosta was Tucson's top dog, and Ron Evans was North's running power.

The mighty North High line, together with the back-field, smeared the St. Mary's Knights 19-0. North's line kept St. Mary's outside North's 45 yard line all night. Keith made his two runs of 27 and 10 yards in the first and fourth quarters, and Ron Evans made his in the second quarter. Dennis Keith made 94 yards rushing, just 4 yards short of what the whole St. Mary's team made. He made a majority of his yards due to the superb blocking of the rest of the team. The North High team piled up 263 to 98 total yards gained. St. Mary's made a large number of fumbles which North took advantage of, to shut-out St. Mary's 19-0.

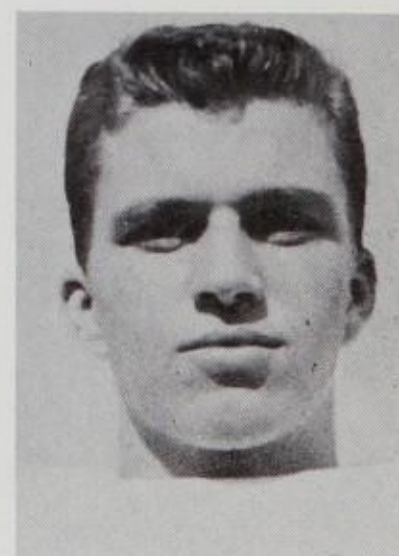

Following the pattern of the rest of the year, West beat North 34-6, giving them four victories and a big step toward the Class AA crown. Under the command of Bob Marsh, West High's team showed their greatest display of the year. West took advantage of their heavy linemen: Wayne Magnusson, Stan Godbehere, and Fred Brown. They punched holes in the North line and had 276 total yards gained to North's 76. In the fourth quarter Rennie Crittenden started hitting with his golden arm and netted 63 yards in two passes. Keith finished the job by plunging over from the one for North's only score.

North crushed Yuma with a devastating aerial game, 47 to 20. The Mustangs produced 252 yards, 200 of them in the first half. They opened up the game with a 64-yard Rennie Crittenden to Steve Vaughn pass play. Oscar Madison of Yuma scored on the next play with an 80-yard kickoff return. Ronnie Evans capped three Mustang drives with 1-yard scoring smashes. Dennis Keith bulled over from the two. Phil Church wrapped it up with a 4-yard scoot after Crittenden hit paydirt on an 18-yard pass to Phil Atkerson. Yuma countered on Al Madison's 5-yard pass to Doug Stanley and Guard Mickey Reedy's 56-yard drive on a North High fumble.

Touchdown was the word of the day in the North Phoenix huddle, that night of the home-coming for Camelback, where North won 43-12. Four out of five times the ball was carried, North was carrying. The first play of the game Ronnie Evans intercepted a pass from Spartan quarterback, John Powers. Evans proceeded to run 55 yards for the first score. Fullback Don Bowling made the second score on a baffling reverse. In the second quarter Steve Vaughn tried to grab a pass from Phil Church, but he dropped it. Don Bowling came up again to score. Evans scored again on a screen pass to make the score 25-0 at the end of the first half. In the second half Mustangs Evans, Bowling, Keith, and Vaughn intercepted a pass from Powers, making the score 37-0 at the end of the third quarter. Camelback started moving at the end of the game, making two touchdowns.

South Mountain Rebels overcame the Mustangs with a score of 32-20. They overwhelmed North's aerial game by just running over North's linemen. From the stands, the Rebels appeared to be about 1½ times as big as the majority of our linemen. The game was pretty well tied up, when in the third period South faked a punt and ran for a touchdown. In the fourth quarter a 15-yard penalty brought another touchdown for South.

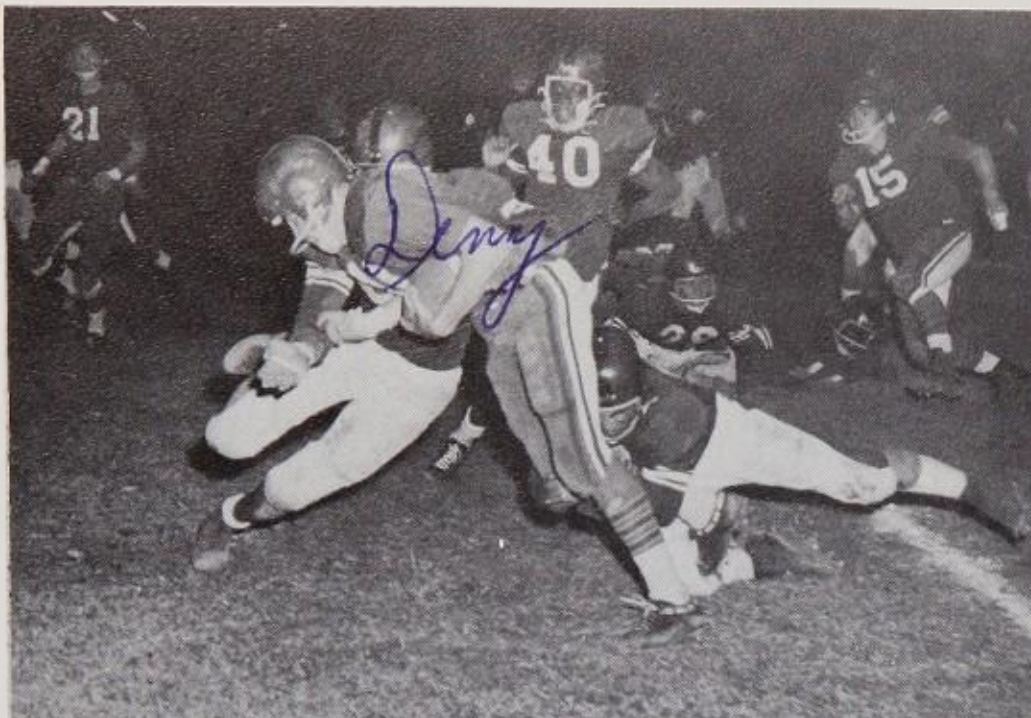

Vito Adragna hits a Mesa back low to stop him after a short gain.

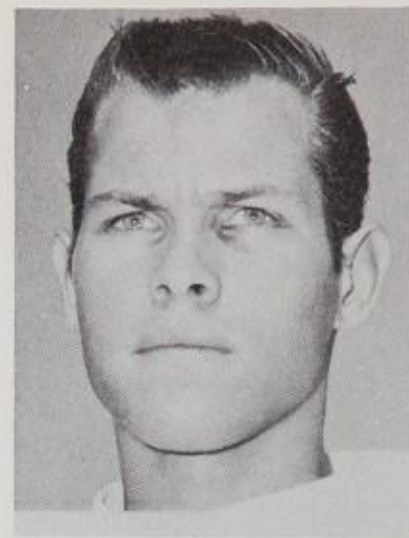

Dick Molina, a Mesa back, made five touchdowns to a 40-20 win over North High. Molina's TD runs totaled only 36 yards. Ikeda, Mesa quarterback, plunged 1 yard for Mesa's other score. Scoring for North were Church, Hale, and Atkerson, with Crittenden making two conversions.

North High is famous for athletic champions, of which football has many. The All-States and the Honorable Mentions were chosen by the coaching staff of North High. Also they are given trophies and certificates by the Phoenix Republic and Gazette. All-State this year were Rennie Crittenden and Steve Vaughn. Rennie Crittenden was quarterback and Steve Vaughn was an end. They were given this award because of all their outstanding work on the football team all the years they have played here. Honorable Mentions included Jim Peachy, Ron Evans, Mark Button, Phil Atkerson, and Bob Rienboldt. Jim Peachy played the position of guard, while Ron Evans and Mark Button were both backs. They are all seniors. Phil Atkerson and Bob Rienboldt, who are juniors, are both linemen. These are two prominent boys, who, with the other juniors will be with us next year.

The Junior Varsity Football team finished their season with an undefeated record. They shutout Central, Carl Hayden, West, Washington, and South Mountain. Camelback took the juniors off of their varsity and put them on their junior varsity. North's Colts overcame this disadvantage though and won the game 13-6. Mesa, the hex team for North High, finally lost a game to North High after a long string of victories they have accumulated over the years. Art Colangelo and Pete Thyron were the stars of the PU game, Art making two TD's and Thyron giving one.

At the half time the score stood in favor of the T-Birds 23-21. North put on a big scoring rally in the third quarter which ended with 25 points added to the Hosses' tally while West managed 12 points which brought the score to 46-35.

Excitement mounted in the fourth period as the Mustangs ended their spurt and came out with 13 points while West bucketed 24 points in renewed vigor. This brought the score even at 58-58 which made an overtime necessary. In the closing seconds West chanced in two shots and nudged North 62-58 for the victory.

Rod Lewis and Steve Vaughn made 6 points together which brought the score to 47-42, with 40 seconds left. Camelback lobbed in 5 points to bring Camelback within 1 point. The Coyotes took a 30-22 lead at the half. North came within 6 points of the pack in the third period but failed to keep up with the hustling Coyotes.

Scoring honors went to George Mies who had 15 points, Willie Walters with 13 and Rod Lewis who ended with 10. The loss left the Mustangs with a 7-10 season.

This year at a meet in Huntington Beach, California, he pushed to a new record of 66 feet 1½ inches, almost 6 feet over his record of last year. Also at the Glendale Invitational he tossed the 12-pound shot 65 feet 5½ inches. He then picked up the 16-pound shot and put on an exhibition with it. He put the 16-pound shot 55 feet 11½ inches to topple the recognized record of 53 feet 4¾ inches. He broke this record by almost 3 feet.

Miss Kapanke, Art Advisor

Our capable artists, under the direction of Miss Kapanke, have done a marvelous job on the 1958 Hoofbeats. Darlene Goto contributed the cover design. Paul Altfas provided all the inside illustrations.

Paul has to his credit all the unique designs that decorate these pages and make you think of tomorrow. Darlene's design sets perfectly the theme of the annual.

Round-Up Editor

The Round-Up staff has worked very hard this year to put out a good paper. Every edition was an example of the fine work put into the paper. Meeting constant deadlines, writing stories, and laying out pages are some of the tasks of the Round-Up staff. However, the newspaper staff does all this and more cheerfully.

Mr. Miller has worked this year as both Round-Up and Hoofbeats advisor. This is not a small task, and Mr. Miller has done a fine job. Both staffs are very grateful for the help he has given them in the production of the paper and the annual.

Sue Mendelsohn
Hoofbeats Co-Editor

Sue has been the co-editor in charge of class pictures, faculty, senior activities, introduction, and business management. Her experience from previous years enabled her to train a green staff into the productive team it eventually became.

Nanci has been co-editor in charge of student government, clubs and organizations, activities, and sports. Her experience last year as activities editor helped to train her for the editorial job she has executed this year. Her advice and criticism was always appreciated.

Annual staffs are traditionally made up of hardworking members who are, for the most part, unknown. Their only recognition comes when their pictures appear in this section of their book. All members contribute to the extent of their abilities, but there is always one person on an annual staff who is everywhere at once doing everything that needs to be done. On the Hoofbeats staff this person is called "Eloise." It is a sought-after honor to be chosen for this task, and each year "Eloise" chooses her own successor. This year's "Eloise" is Mary Elizabeth "Buff" Bixby. This brief note is just a salute and a "Thank you" to Buff Bixby without whom, it might truly be said, this annual would not have been printed.

"Someday I'd like a business of my own!" That's a natural ambition for anyone — yet even to dream of it would be regarded as ridiculous, and even dangerous in many nations today. But in America, you are free to travel any road of endeavor you choose, and to follow it as far as your abilities will carry you. Our system of free enterprise makes this possible. Yet, some would curb this system — through ignorance or malicious intent. Protect free enterprise! For the sake of your future — the future of your country!

Maybe I'm absent
minded, stupid, etc,
but never let be said
that I can't think of
anything different
because
I can be known
always to do
